

Parent/Guardian Waiver for Youth (12 & Under) to be on the Course without an Adult

Summit to Swamp May 4, 2024

WAIVER: I feel that my child is capable of participating in these events without an adult present with him/her on the course. I am aware that these events contain steep narrow trails with loose footing, water crossings of various depths, obstacles of varying difficulty and heights. I realize and accept the fact that I am still responsible for the safety and the actions of my child while he/she participates.
