

Parent/Guardian Permission to Compete

Summit to Swamp May 4, 2024

PERMISSION TO COMPETE: I give permission for my minor child (Under 18) to participate in the competitive events as an adult. I realize and accept the fact that I am still responsible for the safety and the actions of my child while he/she participates.

I realize that I am responsible for any necessary reporting of prizes, cash, etc, that my child may win.
